

CONVERSATION BETWEEN ROY ALLEN AND SCOTT GOOLD

FROM ROY ALLEN [5.31.24]: Hi Scott, missed your call. FYI Ann left last Friday for her planned week long vacation. Please give her time next week to address what you want. A little patience on your part about now would go a long way.

Roy

SCOTT TO ROY: Ann posted to Facebook yesterday. Can't have this confusion. Takes only a minute to text me formal resignation. I can wait on Class funds. Need materials from Jeff and Susan immediately. No reason to obstruct our efforts. Please ask them to cooperate! Thank you!

On bus. Are you aware Ann posted to FB yesterday? She's intentionally sabotaging this process. She's lying to you and classmates. Need you to stand up now and ask ALL to cooperate! Thanks 🙏

**Ann POSTED this notice yesterday, although telling you she's on vacation.
She lied to YOU !!!**

Ann then replied to my comment YESTERDAY ... "Please disregard what Scott Goold has said. They are untruths. We are still trying to find people with names addresses and email addresses."

She's not on vacation. She lied to YOU and the others.

Today, Ann BLOCKED my FB connection. She's NOT on vacation, but commenting on social media. I warned you weeks ago. You allowed Ann and her friends to BEAT the SH*T outta me. She's still working to sabotage Reunion 50 progress.

Ann could easily have sent a text: "Scott, yes, I've stepped down. I'll transfer the Class funds next week." Takes 30 seconds. Jeff could have taken one minute to send me Class of 1975 Facebook login credentials. He refuses. Susan could have taken one minute to forward the most updated classmate roster. She refuses.

Do you understand now what I've been saying? I spoke with Bob by phone for an hour weeks ago. He said he would intervene. He didn't. Said he got busy.

Earlier today, I filed a complaint with the Pocatello Police Department.
