June 4, 2024

Although warning Jeff Waldron May 31, 2024, he refuses to cease using Scott Goold, InfoImagination © copyrighted materials. Jeff blocked Scott Goold from accessing the Highland Class of 75 Facebook page. Using an alternative account, we documented Jeff Waldron continues unlawful use of Scott Goold, InfoImagination © copyrighted materials, through June 3, 2024, and June 4, 2024. Appears Jeff Waldron plans to continue theft of Scott Goold, InfoImagination © copyrighted materials.

**Jeff Waldron: “I’m done! When do you want the Facebook page?” [6.1.24]**

This behavior shows why Jeff Waldron sat the bench as a basketball player at HHS. Wasn’t willing to do the hard work to be a starter. Steals from others, and cannot create his own professional content.
